

SCRATCH/MY/BACK

Template to print for model PI Scratch/My/Back plate

Check the compatibility of PI model plate with your pedal in 5 steps:

- 1) *Print page 2 of this PDF document making sure you select real size printing in your PDF software. (Acrobat Reader for example)*
 - 2) *Confirm the correct impression by measuring the 4.961in wide and 3.425in height of the PI plate.*
 - 3) *Cut out the contour with scissors.*
 - 4) *Cut the holes using a cutter.*
 - 5) *Place the Paper Template on the back of the pedal by first removing the original back of the pedal.*
-  *The paper template can slightly exceed each side according to the pedal formats a little exotic sometimes, what is important is the position of the holes. Do not hesitate to contact us at contact@scratchmyback.fr if you need help.*
